

Cover Letter – Ashwini Pote

Dear Sir/Mam

Thank you for the opportunity to apply for the MERN stack developer role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an adaptable professional who has been consistently praised as hard-working by my co-workers and management. Over the course of my learning and internship, I've developed a skill set directly relevant to the MERN stack developer role you are hiring for, including e-learning, web design and hardware engineering. Overall, I have consistently demonstrated teamwork, technical and writing abilities in every aspect of my technical engineer role at Entercoms and web developer intern role at Spark foundation, and I invite you to review my detailed achievements in the attached resume.

As a developer I have work on following technologies

I have 0-1 Year experienced, meticulous & detail- **oriented junior Software Engineer** with expertise in **front end development**

Focussing **on React JS** possesses a **proven track record of developing dynamic web application apps to deliver compelling business value to clients.**

Adept at the front end design, development, and implementation of Node JS web-based applications., **React JS, Bootstrap 4, JS, CSS, MongoDB, Mongoose and Strive to up skill me in the latest releases of Full Stack development frameworks and technologies.**

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at 9765023719 or via email at ashwinipote555@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Ashwini Pote.
